About the Company

Your property is a large part of your life. It may be full of character but have multiple rooms and spaces that don't flow. You may live in a more modern property, which just needs a well-earned refresh.

Spectra helps you create the perfect home. A home to make you smile every time you walk through the door. We transform rooms from ideas into lifestyles, so your living spaces are designed for your way of life.

We start at the beginning and help define how you want to live and flow through the space.

Our History

Founded in 2016, Spectra emerged in Abu Dhabi by undertaking projects from reputed FMs' for Joinery works & AMC. From 2018, we started taking Civil & MEP projects in Dubai and it was our eye opener to Residential Projects. On date, we undertake Turnkey projects for residential units which initiates from Design Phase to Execution & Commissioning. We have the calibre to execute projects which require Dubai Municipality Approvals.

Company Values

Vision

Our vision is to be a reputable, sustainable, and desirable premier luxurious interior & exterior design & implementation firm of the global market place providing the state-of-the-art innovative designs and superior quality finishing. We will continue to leverage on our many years of professional experience to consistently deliver exclusive design services that bring a complete satisfaction of our partners and clients requirements. This vision has been the core of our history and cultural value of design which is still the master key for our prospects.

Mission

Our mission is to create reward experience and value that combine functionality with high quality and innovation for our customers. We want every partner and client experience to be the talk of a life time. Also, to define the most sophisticated and superior standard of quality in every exterior and interior designs.

Our Goals

To be the pioneer and primary actor of innovative turnkey company in the industry
